Commissioner for Patents

There is no record of the original submission of the information disclosure statement of April 24, 2003. The copy of the PTO-1449, the request for consideration of the references and the stamped mailroom receipt filed April 21, 2004 is sufficient to establish the timeliness of the applicant's original filing. Copies of the references are added to the file by the examiner as these were not submitted a second time by the applicant. A signed copy of the PTO-1449 accompanies this letter
